

RECREATIONAL TOURNAMENT POLICIES AND RULES OF COMPETITION

Purpose and Philosophy

The Kentucky Youth Soccer Association (KYSA) Recreational State Cups were initiated and organized to enhance the accomplishments recreational players achieve by participating in a state championship tournament.

The development of all players within KYSA is advanced when the player meets personal challenges. The Recreational State Cups are designed to encourage and honor the recreational player by allowing the player to compete for both team and personal goals.

The tournaments are structured so that, regardless of ability, all players can realistically strive for the goal of becoming a recreational cup champion.

Eligibility and Credentials

- A. Age groups: U10, U12, U14 and High School for both Mixed and Girls divisions. High School age group will consist of U16-U19 players and they will play 8V8 on a U12 field.
- B. This competition shall be open to all RECREATIONAL teams comprised of properly registered and rostered players as per the Kentucky Youth Soccer Association registration rules governing recreational teams. All teams must be in good standing with their local association. Teams are allowed up to three (3) guest players for tournament play. Those players must have been properly registered with the same organization during the current seasonal year.
- C. All-Star teams and/or Tournament teams are not permitted. Only teams that played together in league play will be eligible for competition in this event.
- D. Under 10-Under 14 Teams that fail to meet the 2/3rds team formation requirement must submit a letter from their local registrar stating why their team does not meet the 2/3rds rule. Failure to submit this letter with the tournament application will deem your team ineligible for competition. The Kentucky Youth Soccer Recreational Tournament Committee reserves the right to discard any entry that does not meet all requirements.
- E. Teams may be ineligible to participate in the competition if their local member organization has not registered all players for that playing season prior to the first game of the competition.
- F. Rosters shall be frozen prior to the team's entry into the tournament and only those players registered and rostered at that time are eligible to participate. All rosters must be signed by the affiliate's registrar and the team's coach.
- G. For the High School Division, no more than 16 players are permitted on a roster submitted to the tournament office and those players must be registered with the same organization in which they played during the season.
- H. All Registrations must be completed online by the entry deadline. One (1) copy of the official roster must be received by the entry deadline along with the correct entry fee and procedures as noted on the online application process. Failure to do so may constitute an invalid application and may make your team(s) ineligible for competition.
- I. A player may only play in one state sponsored event per season (e.g. State Open, Challenge, American, and Commonwealth) and must play in the event of the highest level of competition. Players who are registered on both a competitive (select) and recreational team during the same

RECREATIONAL TOURNAMENT POLICIES AND RULES OF COMPETITION

season (fall or spring) are not eligible to participate in the American or Commonwealth recreational state cups during that season.

- J. Players registered in the Under 9 Academy are not eligible to participate in the American or Commonwealth recreational tournaments.
- K. Players may only play on one team during recreational cup competition.
- L. If a player is registered on two recreational teams, they must play with their primary team in tournament competition. If their primary team does not enter the tournament then they may play with their secondary team.

Performance Fines and Fees

- A. The Kentucky Youth Soccer Association reserves the right to fine any member organization or club for the misconduct of players, coaches, team administrators, or parents.
- B. The Tournament Committee will determine misconduct by all teams and members associated with that team as well as the fines and fees associated with all incidents.
- C. Failure to pay any fines will result in disqualification of all teams from that member association or club until such fines have been paid.
- D. Team Withdrawal:
 - 1. If a team withdraws from the competition before the brackets are drawn there will be no withdraw fine.
 - 2. If a team withdraws after teams have been bracketed, there will be a \$350 fine sent to the club of the team that withdraws. Furthermore, all remaining teams from that club will be ineligible to compete until all fines have been paid.

Tournament Format

Cup Finals Format

- A. Round Robin Bracket Play
 - a. All age groups will play in a round robin tournament format.
 - b. Brackets will be determined based on the total number of teams that enter in an age group.
 - c. There may be more than one bracket in a specific age group depending on the number of teams that enter. (I.E. If 32 teams enter in the U14 Mixed age group, the age group could be split into four (4), 8 team brackets. Each bracket would then be split into two divisions of 4 teams.
 - d. The winner from each bracket will advance to either a semi-final or championship game of the Cup Finals to determine the cup champion for each age group.
 - e. If four or five (4 or 5) teams enter, the format will be round robin. No play for only 3 teams.
 - f. We will try to accommodate every team with at least three (3) games during tournament competition, but there is no guarantee.
 - g. Be prepared to play one or both weekends depending on the number of team entries.
 - h. In the event a game ends in a tie, please see the tie breaker system.
